CLEANING / MAINTENANCE

MYWALL ETEREA if soiled, wash with mild detergent, rinse with clean water and sponge it dry. However, an accumulation of water at skirting level should be avoided, as this may cause the wallpaper to delaminate from the surface.

ANTI-MICROBIAL FEATURES

MYWALL ETEREA has a high degree of microbial resistance

BATCHING

Slight variations in shading may occur from time to time. It is important that the roll carrying the same batch number be used in an area.

ORIGIN

ITALY
