Retreat:
Where Calm Becomes a Destination

In today's fast-paced world, every space should offer a moment to pause, recharge, and reconnect. **Retreat** is inspired by the quiet comfort of nature's sanctuaries—places where soft landscapes, gentle light, and organic textures create a sense of balance and wellbeing.

The design captures the subtle layers found in weathered stone, drifting sand, and natural earth. Delicate tonal variations flow effortlessly across the surface, bringing movement without distraction. The understated pattern creates visual depth while maintaining a calm, refined aesthetic suitable for contemporary interiors.

Accent colours are thoughtfully woven into the collection like moments discovered in nature. Cool blue reflects tranquil streams and open skies, introducing freshness and clarity. Warm amber echoes the soft glow of morning sunlight filtering through trees, adding warmth and hospitality. The neutral base provides the perfect foundation, allowing these accents to define collaborative spaces, guide circulation, or create inviting destinations. Designed for workplaces, hospitality venues, educational settings, and public spaces, **Retreat** transforms interiors into places that encourage focus, comfort, and restoration. The collection brings together natural inspiration and modern functionality.

Retreat

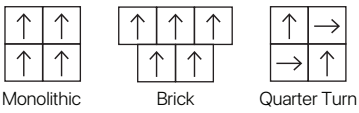

Technical Specifications

Collection Name	Retreat
Yarn	PolyLux Synthetic Fibre
Construction	Multi-Level Loop
Dye Method	Solution Dyed
Gauge	1/12 inch
Stitches Per Inch	12 per inch
Pile Height	4 mm (± 0.5 mm)
Total Height	6.5 mm (± 0.5 mm)
Pile Weight	20 oz/sy (678 gm/sm)
Total Weight	97 oz/sy (3300 gm/sm ± 200 gm/sm)
Primary Backing	Non-woven
Secondary Backing	Polyolefin Bac
Packing	20 pcs (5 sqm/box)

Performance Specifications

Colourfastness	Grade 5 - No Change (AATCC 16)
Flammability	Class I (ASTM E648)
Smoke Density	Passed (ASTM E662)
Static Propensity	≤ 3.5 kV (AATCC-134)
SGBC	Very Good ✓✓
Warranty	10-Year Limited Warranty

Installation Methods

Performance Comparison

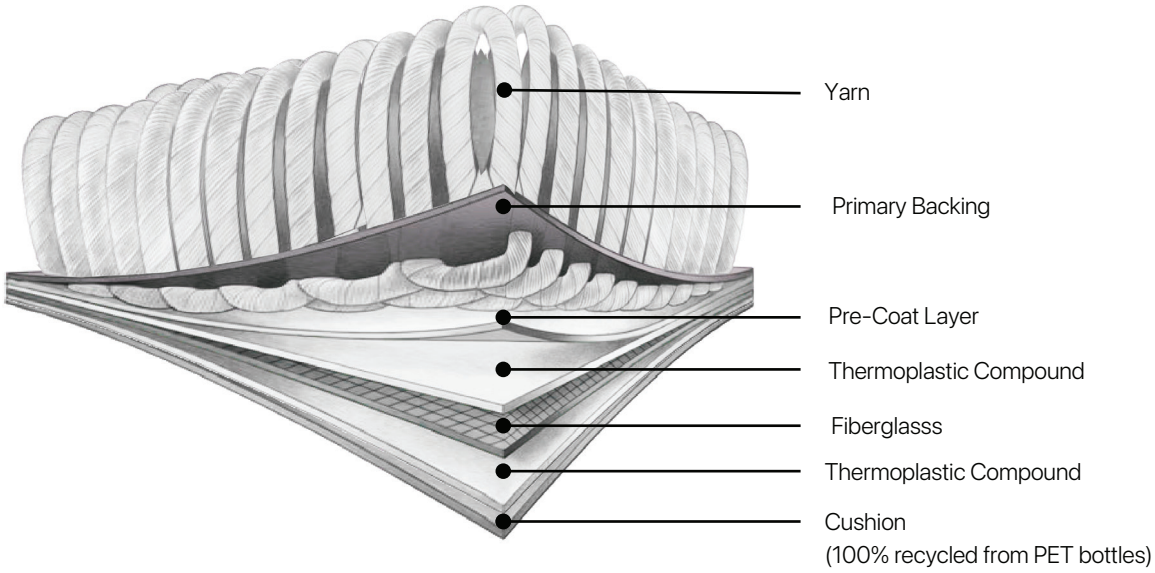

Feature	Nylon 6	PolyLux	Polypropylene
Heat Resistance	★★	★★	★
Flame Resistance	★★	★★	★
Stain Resistance	★ (exception for stain resistance treated nylon)	★★★	★★
Hydrophobic Property (Low moisture absorption, speeds drying, and reduces mold risk)	★★	★★★	★★★
Resiliency	★★★	★★	★

Polyolefin Bac

Carpet Tile Backing

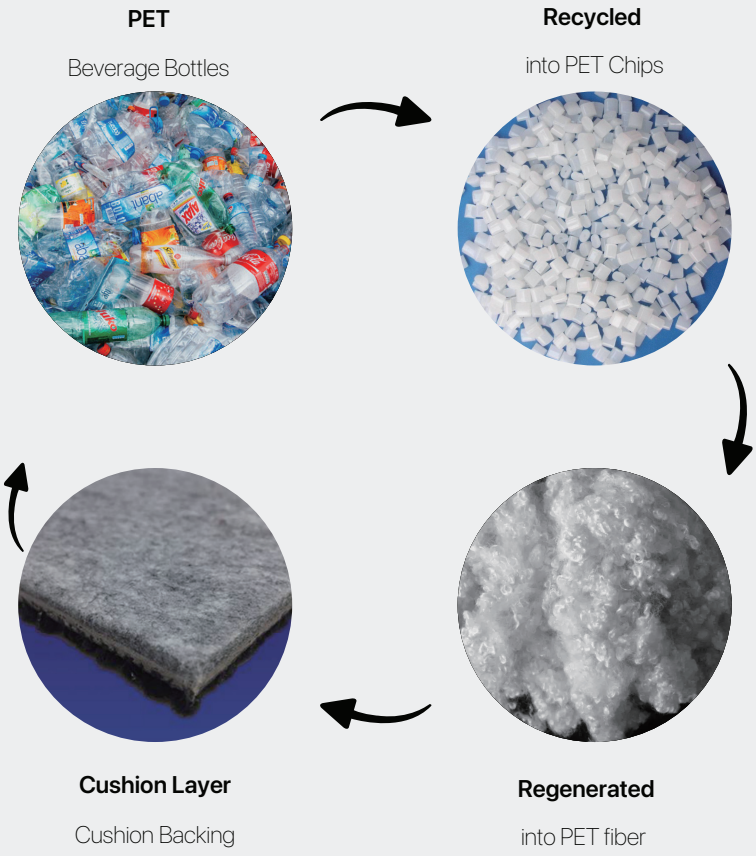

Goodrich Global
SINCE 1983

Polyolefin Bac takes your spaces to a higher standard of sustainability to support greater wellness for people and planet. The Polyolefin Bac Pro carpet tile contains recycled content, helping to eliminate the plastic waste stream. It offers superior performance and sustainability to the carpets.

Advantages

- **Comfortable Underfoot**
  Cushion backing tile helps reduce fatigue
- **Noise Reduction**
  Absorbs sound for better acoustics
- **Dimensional Stability**
  Maintains shape and appearance
- **Hydrophobic Cushion Backing**
  Repels moisture, prevents damage
- **Eco-friendly Materials**
  No plasticizers, PVC, or bitumen
- **Sustainable Backing**
  Made from 100% recycled PET bottles
- **Green Building Support**
  Contributes to LEED®, WELL & more
- **Certified Performance**
  CRI Green Label Plus & low carbon
- **Lightweight & Efficient**
  Easier shipping, lower freight cost.

Note:

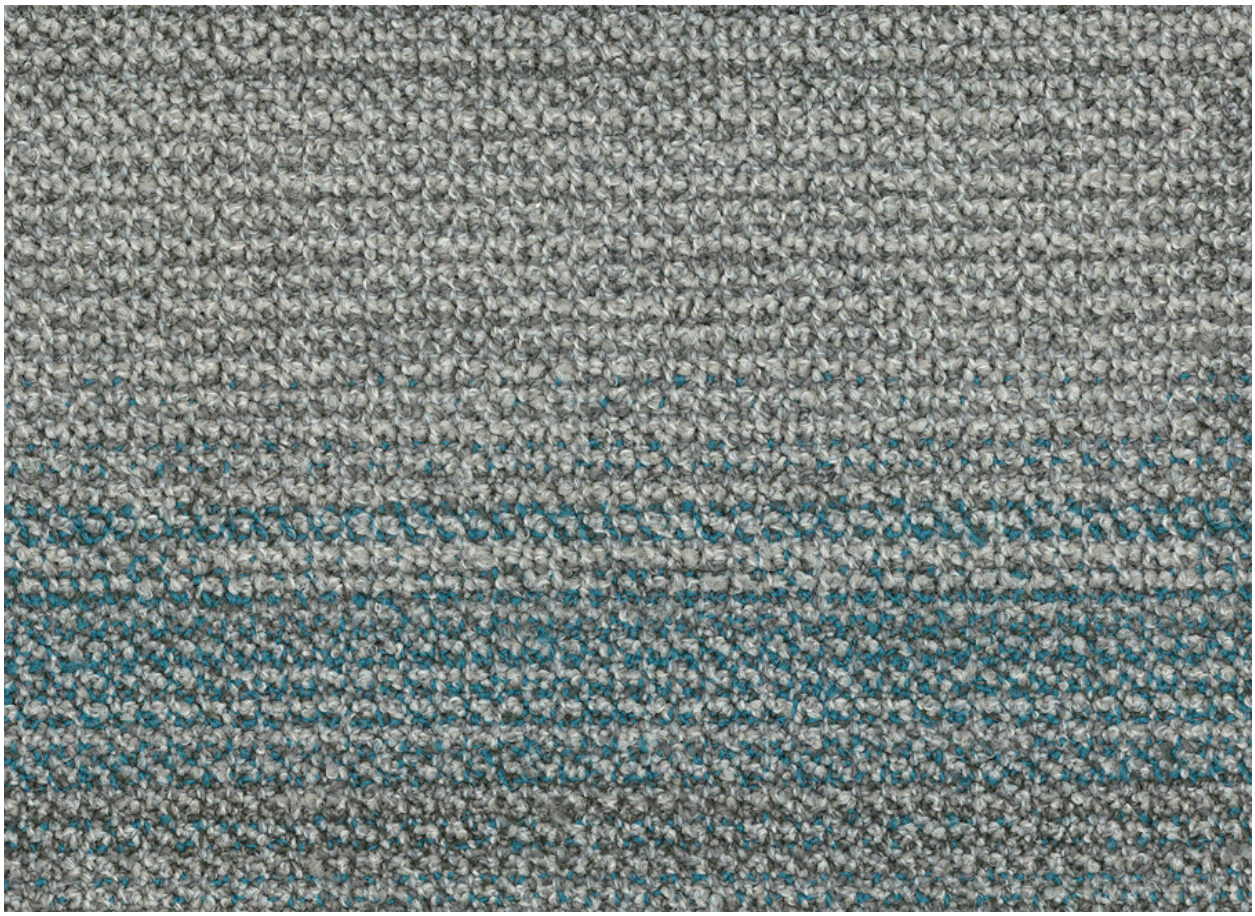

- Product specifications are based on standard manufacturing tolerances. Slight variations may occur but will not impact performance.
- As with all quality carpets, minor color differences may appear between dye lots.
- To maintain appearance and minimize wear, the use of protective chair pads is recommended under office chairs with castor wheels.
